

CORMIDI MINI DUMPERS/CARRIERS

Cormidi Mini Dumpers/Carriers provide an efficient and safe way to transport dirt and other bulk materials on and off-site. They feature very low ground pressure minimising any ground damage and protecting the environment in national parks and grounds.

**NARROW WIDTH**

Easy to access bush roads, tracks and fire trails.

**BIG LOAD CAPACITY**

Equivalent to several wheelbarrow loads.

RUBBER TRACKS & SOLID ROCKING ROLLER UNDERCARRIAGE

Travels over uneven ground and up to 20° slopes. Comfortable walking speed of 0-4km/h.

Provides traction in all weather conditions and terrains.
